ABOUT US

Welcome to CladArt

At CladArt we believe every wall can be a work of art. We supply modern polymer wall panels and decorative finishes that turn ordinary rooms into spaces with character, in homes, offices, shops and building lobbies, indoors and out.

Our collection includes Marble-Look Polymer Wall Panels, Bookmatched Marble Pairs, Textured Plaster-Look Wall Panels, PU Stone-Look Wall Panels, Luxury Embossed PVC Wall Panels, Accessories & Installation Supplies, Slat Wall Panels and Stainless Steel-Look Wall Panels. Browse each collection to see every model, colour and size.

Our panels are lightweight, water-resistant and quick to install, without the dust, noise and long schedules of traditional renovation. Many projects can even be done yourself in three simple steps: measure, cut and glue.

Whether you are a homeowner, interior designer or contractor, we help you choose the right finish and stay with you all the way to the perfect result.

Wide selection

Hundreds of finishes: marble, stone, plaster, wood, brick, metal and greenery.

Quick, clean installation

Lightweight panels that glue straight onto the wall, often in a few hours.

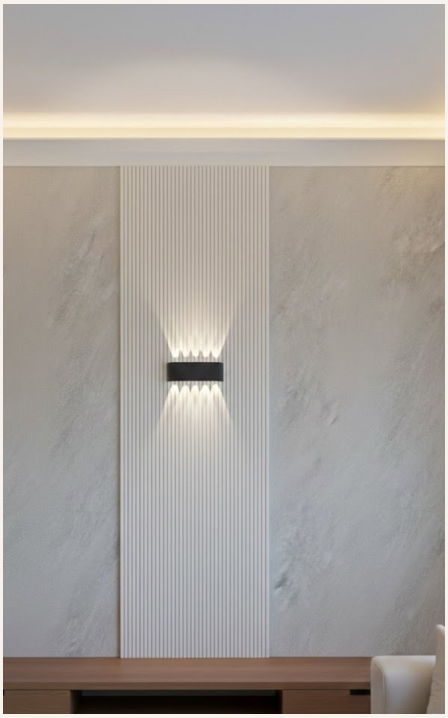

Built to last

Water-resistant, easy to clean, suitable for kitchens and bathrooms.

Personal advice

We help you choose, measure and plan – all the way to the perfect result.

Marble-Look Polymer Wall Panels

Polymer wall panels with the look of real marble: natural stone veining, a gentle sheen and a wide choice of soft tones for a luxurious, elegant finish.
